## DROP-OFF AND DEPARTURE/RELEASE PROCEDURES

Campers can be dropped off each day for camp beginning at 8:00 AM. All campers must be picked up no later than 3:00 PM each afternoon. There will only be ONE warning if a child is picked up later than 3:00 PM. **If you are consistently late for pickup, your child will be dropped from the program.** Parents must sign their children in and out of our program at the designated sign in station. This ensures child safety. Photo ID may be required for the release of your child. The child will only be released to his/her parent and/or those adults that the parent(s) specifically designated on the enrollment form. Amendments to the release section of the enrollment form must be submitted in writing by the parent or guardian who completed the form. If a parent is not allowed to pick up a child, the center must have a copy of the court order signed by a judge. Without this documentation, we are obligated to release a child to either parent listed on the enrollment form.

## **HEALTH AND SAFETY (ILLNESS AND EXCLUSION CRITERIA)**

In order to protect the health of all children in our care, please keep your child at home if you notice that he/she is beginning to show signs of an illness or contagious disease or if he/she feels too ill to participate in a group care setting. Please let us know as soon as possible if your child has a communicable illness or infection. This will allow us to notify the parents of children attending our program. Children with communicable conditions may return to care once they have been symptom free for a full 24 hours without the use of medication.

Children with head lice will not be allowed to attend the summer camp program.

If your child becomes ill during the program day, we will contact you to pick him/her up. In case of injury, parents will be notified immediately.

## **MEDICATION POLICY**

Regular and ongoing medication will not be administered on-site. For emergency medication, please acknowledge this on the enrollment form. Please note the specific dosage your child is to be given. All medications must be accompanied by prescription or written permission from the child's parent and must be in the original container with your child's name and all labels intact.

## **PARENTAL NOTIFICATIONS**

Parent notifications may be made in writing via letters, emails, flyers and/or signage at the designated sign-in station. Notifications may also be made by phone calls or directly in person by site staff. Open communication is very important to the success of your child's experience. Please ensure that we have the correct contact information on file for your family.

## **DISCIPLINE AND GUIDANCE PROCEDURES**

Our program implements a Supportive Social Learning strategy as an alternative approach to discipline. This strategy is characterized by a commitment to conversation and relationship building and is defined by four primary components:

1. The teacher appreciates all perspectives in the classroom and includes everyone in creating a shared responsibility for the classroom community.
2. Relationships in the classroom community take precedence over any other agenda.
3. The teacher views all children as capable of overcoming conflicts and being socially successful.
4. The teacher enters all interactions with a questioning posture and a commitment to conversation.

## **SUSPENSION/EXPULSION POLICY**

Unfortunately, situations arise when we must suspend or expel a child from our program, either on a short term or permanent basis. We want you to know that we will do everything possible to work with the family of the child in order to prevent this policy from being enforced. At the same time, the following are reasons that may cause us to expel a child from this center immediately:

- The child is at risk of causing serious injury to other children, him/herself, or the staff.
- A parent/guardian threatens physical or intimidating actions towards staff members or is physically and/or verbally abusive to staff.

In the majority of cases, we are committed to working with families to prevent suspension or expulsion. The following are reasons that may lead to a short-term suspension or permanent expulsion: failure to adjust after a reasonable amount of time, ongoing uncontrollable tantrums/angry and aggressive outbursts, ongoing physical or verbal abuse to staff or other children by the child.

## **LUNCH/SNACKS**

Parents are responsible for providing a nutritious lunch for their child each day. Your child's first and last name should be visible on the lunch so that staff can easily identify it. Lunches will be refrigerated. Our program will provide a morning snack and afternoon snack each day.

## **CHILD'S DAY**

Our team works to create an environment that allows for child-led learning. With this in mind, our daily schedule is intended to be more of an expected routine for our campers rather than a minute-to-minute guidance for activities.

8:00-8:30am – Drop off/outdoor free play: Campers will be signed in and dropped off at the playground at the end of the parking lot.

8:30am – Morning snack offered

9:00-10:00am – Mindful Moments: Campers come together for activities centered around mindfulness practices including activities such as journaling, yoga class, and mindful moving.

10:00-11:00am – Creative Expression: Campers will be given the opportunity to participate in arts and crafts related to the camp weekly theme.

11:00am-12:00pm – Hands On Nature!: Campers will participate in nature based activities within the surrounding community such as trail walking and gardening.

12:00-12:30 – Lunch

12:30-1:30pm – STEM: Campers will be invited to participate in activities focused on science, technology, engineering, or math.

1:30-2:30pm – Gross Motor Games: Campers will be invited to participate in outdoor games centered around the enhancement of gross motor skills. An afternoon snack break will be offered at 2:30pm.

2:30-3:00pm – Pick up/outdoor free play: Campers will be signed out and picked up from the playground at the end of the parking lot.

## CHILD'S BELONGINGS

Children should be dressed appropriately for active outdoor play. **Shoes MUST BE closed toed and comfortable for trail walking.** A change of clothes is required. Please leave personal toys, money, video games, cell phones and any other electronics at home. We cannot credit or compensate for lost, damaged or stolen items.
